

# Cysturo<sup>®</sup> *NEO*

A new formula created by **experience.**

**20% - 35% of women experience a recurrent urinary tract infection** after their first UTI.

**80 % of acute urinary tract infections are caused by *Escherichia coli*.**

**Inappropriate use of antibiotics contributes to bacterial resistance.**

**Cysturo NEO** contains carefully selected ingredients:

- **Cranberry** – antibacterial effect
- **Horsetail** – diuretic effect
- **Vitamin C and Zinc** – support the normal function of the immune system.

---

Helps **relieve** symptoms of **urinary tract inflammation** and supports the **prevention** of urinary tract infections.

---

# Cysturo<sup>®</sup> NEO

**Support** for maintaining  
urinary **tract health.**

| Ingredients:                                                                             | One tablet contains: |
